

DECA COMPETITIONS

WHERE FUTURE MARKETING LEADERS ARE MADE!

This invitation serves to welcome district and school administrators & guidance counselors to participate in Minnesota DECA's State Career Development Conference VIP Tour.

The tour designed especially for you, includes a behind-the-scenes visit to the competition floor for a first-hand look at our competitive events program.

- Come join us for a journey that provides you with the opportunity to experience what students across the state are experiencing, right now, a once in a lifetime opportunity, to obtain real life skills today, using tools easily accessible and available for your classrooms of tomorrow.
- See first-hand how students analyze situations or problems encountered by business professionals and react to these problems by providing recommendations or solutions using creative marketing and management skills.
- Discover how DECA gives students hands-on experiences in the fields of marketing, business and entrepreneurship, and how DECA enhances the classroom experience by providing conferences and competitions that mold high school students into character-driven leaders.
